

Important Flight Instructions

We highly recommend joining our group flights, however we understand that this is not the best option for all families. We offer three possible ways for traveling to Seminar.

👉 To review your flight choices, login to your [CampMinder](#) account, click on Financial Management, and view your statement. To change your group flight choice, email registrar@ramah.co.il.

[Flying to Poland on Group Flight - Return on Separate Ticket](#)

1. Group Flight - PREFERRED

The Steps:

- Indicate on your application *if* the *chanich/a* is attending the POLAND JOURNEY.
- Indicate on your application, your GROUP FLIGHT of choice.
- Tickets will then be ordered for you based on both of the above choices.
- You can view your flight itinerary by [CLICKING HERE](#) and viewing our group flights page online.

Additional Information:

- Any changes, cancellations, issues with tickets, etc. will be handled by our travel agent and staff.
- Group flights will be chaperoned.

2. Booking your own Ticket

PLEASE NOTE: If you are flying to Poland, you CANNOT purchase your own ticket. For Poland Journey participants wishing to fly home on a different date or flight, see section three.

- Indicate in your application that the *chanich/a* is **NOT** attending the POLAND JOURNEY.
- Indicate in your application that you will **NOT** be flying on our Group Flight.
- Book your own ticket based on the below specifications
- Log-in to your CampInTouch account and update your travel details.

Additional Information:

- It is the family's responsibility to purchase their child's ticket and ensure that their child meets the Seminar staff at the start of Seminar - at Ben Gurion International airport.
- Teens leaving on their own ticket will be able to travel to Ben Gurion airport with our group flight buses.
- We do not provide chaperones for those not flying on the group flight. *Chanichim/ot* will need to navigate the airport independently.

Specifications for those booking their own tickets:

Arrival

Seminar *chanichim/ot* must arrive at Ben Gurion International Airport between the hours of 7:00 AM and 6:00 PM on July 1st. Depending on when the participant arrives, they **may** need to wait at the airport for several hours, until the next group flight arrives. Participants may be dropped off at the airport at your own cost (if they are already in-country), or scheduled to land during those hours. We have one flight arriving later in the day, so please speak with our registrar (registrar@ramah.co.il) if you cannot find a flight arriving at the above stated times.

Departure:

Seminar *chanichim/ot* staying after the end of the program will need to depart from the *Chava* (Israel Goldstein Youth Village) on August 6th by 7:30 AM. You will need to inform us if your child will have a private pick up or taxi. If you choose private pick up, you will need to provide our office with contact information for the person who is picking up your child. Please note that you will be responsible for the cost of your child's travel to their next location. Participants may also be picked up at the airport, and these arrangements should be done directly with the registrar (registrar@ramah.co.il).

Seminar *chanichim/ot* leaving on any flight that is NOT the group flight should schedule their flights between 12:05 AM to 12:00 PM on August 6th. We have groups leaving throughout this

period. Anyone NOT leaving within this window is responsible for all costs associated with arriving at the airport and will not be chaperoned to the airport.

3. Flying Group Flight to Poland - Returning on a Separate Ticket

The Steps:

- Indicate in your application that the *chanich/a* **is** attending the POLAND JOURNEY.
- Indicate which group flight you are choosing.
- Tickets will then be ordered for you based on both of the above choices.
- You can view your flight itinerary by [CLICKING HERE](#) and viewing our group flights page online.
- Families will then book a one-way flight home (on their own).

Unfortunately, the airline (LOT) does not approve any changes to the Poland group ticket. The only exception is to extend the *chanich/a's* stay in Israel, going through Poland on the return ticket (TLV-Warsaw-GROUP FLIGHT CITY). This will include an additional cost and we do not recommend this option.

- Log-in to your [CampInTouch](#) account and update your travel details.
- There is no refund for this option, as we will still be covering the cost of a full, round trip ticket.
